Our future, our planet

In recent years, many people have realized that the climate crisis is an existential threat for all of us, but due to rising awareness, many people have developed ideas to help the environment. One of these ideas is the concept behind Bayer, Leitner & Partners: We are a growing, future-oriented company based in Austria, with employees all over our precious planet. Our goal is to develop eco-friendly start-ups and businesses or help them to improve.

That's why we need skilled people who are interested in joining our company.

Location: Europe

The company: Bayer, Leitner & Partners is eco-friendly and committed to our little blue planet.

- Our company started off small but is steadily growing.
- We believe in the future of our planet and technology side by side working hand in hand.
- The work is voluntary for all of us.

The position: We are looking for people who have skills and experience in the field of Marketing and Publicity due to their job or education.

- We offer free working hours and a true impact on our world.
- We also offer a very friendly and open work environment.
- The work is voluntary for all of us.

Requirements:

- Skills regarding marketing and publicity.
- Interest in our environment and saving our planet.

Responsibilities:

• Taking responsibility – not only for your job, but also for our planet.

Why should you apply?

- You have time left and want to do something good with it our company will be perfect for that.
- Work from everywhere, every time, every day or whenever you find the time we do not want you to get overworked.
